FUZZY PICKLES PRESCHOOL SOCIETY OF ALBERTA

We would like to take this opportunity to welcome everyone to Fuzzy Pickles Preschool. The purpose of this booklet is to acquaint you with the various aspects of our organization.

Fuzzy Pickles Preschool is a non-profit organization licensed by Social Services that was open to the parents of Airdrie in 1983. The preschool offers classes for children 3 to 5 years of age from September to June with ongoing registration throughout the year based on availability. Our mission is to continue to provide affordable, high quality childcare for preschool children in a supportive and nurturing environment.

The monthly program fees cover the cost of the program, including; field trips, supplies, maintenance, staff and various operating expenses incurred each month for the continuing operation of the school.

Learn. Play. Grow. Belong.

Fundraising is an important component of our program and necessary in order to retain our eligibility to apply for and obtain government grants. This money is then used to purchase new books, toys and other items needed for the school. Parental involvement is an essential component to our preschool's success. Parents can volunteer within the classroom, volunteer to sit on the Board of Directors or help with various fundraising drives. Working together we can continue to provide a rewarding experience for your child.

The preschool is operated by a volunteer Board of Directors made up mostly of parents that have their children registered in the school. The Board is responsible for overseeing the administration, policy making, and various functions related to the operation of the school. Each spring at the Annual General Meeting, current parents will elect a volunteer Board of Directors for the following school year.

PHILOSOPHY

Fuzzy Pickles believes that children learn through play and experience.

Our goal is to provide opportunities for children to grow and develop to his/her fullest potential through a variety of activities that highlight social, emotional, cognitive and physical development, with the guidance of qualified and experienced staff.

We will:

- Provide a social/recreational program for children between the ages of three and five years of age, with focus on self-growth and the importance of the child's well-being, built through relationships with other children and caring adults.
- Provide an opportunity for all children to become aware of their own self-identity and to develop a feeling of adequacy and self-worth.
- Obtain maximum physical growth and performance by improving the coordination of their large and small muscles.
- Provide a fun atmosphere doing crafts, singing songs, going of field trips, playing with other children and enjoying an extensive array of creative and educational toys at a developmentally appropriate level.
- Foster the development of the child's intellect so he/she can initiate their own activities; learn to ask questions and discover answers and use language to comprehend and make verbal explanations.
- Allow the children to become a contributing member in all areas of the Preschool.

The arts and crafts section of our curriculum plays an important role as it provides the children many areas in which to grow and develop. Small muscle coordination is being improved each time they do a project and children are exposed to many different art mediums and are given the opportunity to be creative and expressive with artwork. Our arts and crafts program begins with simple projects and progresses to more difficult and/or time consuming ones as the year goes on.

Some of the items your child brings home may be indescribable, but please remember that hard work is put into each one and your child is proud of his/her results. Messy projects, which are undesirable to us adults, are usually sources of pleasure to our children. We focus on the “process” in which the child creates their craft not the finished project; it’s within the “process” where children learn and create.

We try our best to include arts and crafts in our program every day. They are balanced with other activities. For families who are returning to the preschool for the second year, you will be seeing a few projects that you have seen before.

SCHOOL ENTRY AND COVID-19 GUIDELINES

- Every day, the door to the school will be opened at your child’s class start time, so please kindly wait outside until Ms. R greets you.
- Due to COVID regulations, we are only allowed a certain number of people in the school at one time, so we ask that only one parent/adult come inside during drop off and pick up (this excludes the first day of school, as we understand both parents may want to be there).
- While the weather is good, please wait on the deck or sidewalk, while maintaining social distancing, and Ms. R will call students and parents/guardians in.
- When the weather is undesirable, you may wait in your vehicle and Ms. R will wave you in as people exit.
- If you have other children in tow, there is a bench available in the front entry for them to sit on and wait.

- When entering the school, students will have temperature checks taken and adults will be asked to sanitize their hands upon entry.
- Children will be asked to wash their hands with soap and water when they arrive. Please do not use or send hand sanitizer with your child. We will only be using soap at our school, as hand sanitizer is not safe for young children.
- You will do a COVID screening daily at home to ensure your child is symptom free
- Our guidelines require us to limit the amount of access into the classroom, so all of the above will take place in our front entry.
- Once again, the door will reopen at the end of class time when the children are ready to be picked up. For the safety of our students and staff members, our doors will remain locked from the outside at all times. If you need access, you may knock loudly for entry at any time.

NON-SUFFICIENT FUNDS POLICY

Fuzzy Pickles Preschool is a non-profit society and is dependent on the student registration fees to continue operation. Without the timely maintenance of all current fees the Preschool cannot function. It is the responsibility of each registering parent or guardian to ensure that all payments are current and maintained. **The Fuzzy Pickles Board of Directors adopted the following three-step process for those who fail to maintain their registration fees:**

1. The first time a member is in arrears of their registration fee, there will be a \$20.00 fee assessed to the member. For the members on PAD a second payment attempt will be processed 10 business days after the initial payment is missed plus the \$20.00 processing fee. The members with cheques as a payment method will have two weeks or ten business days from the time of the first contact to restore the payment, plus the \$20.00 fee to Fuzzy Pickles Preschool. An official letter of notification will be sent to the member from the Treasurer.
2. The second time a member is in arrears, there will be a \$40.00 fee assessed to the member. For the members on PAD a third payment attempt will be processed ten business days after the initial payment is missed plus the \$40.00 processing fee. The members with cheques as a payment method will have two weeks or ten business days from the time of the first contact to restore the payment, plus the \$40.00 fee to Fuzzy Pickles Preschool. An official letter of notification will be sent to the member from the Board Chairperson.
3. If there is a third Incident and another method of payment cannot be arranged, the member will be contacted by the Board Treasurer by Collections Letter and the student in question will be withdrawn from Fuzzy Pickles Preschool. If you have any questions, please feel free to contact the Treasurer or the Board Chairperson.

Fuzzy Pickles Preschool requires that 30 days WRITTEN notice be given when withdrawing your child from Fuzzy Pickles or you forfeit your next month's pre-payment

PRESCHOOL RULES

- **Program Time:** We ask that parents be punctual when dropping off and collecting their children before and after preschool. If a parent or guardian demonstrates habitual lateness in collecting their child, a letter will be sent requesting that the situation be corrected. If the situation is unresolved, it can result in the parent paying a late fee of \$1.00 per minute late or the child may be removed from the preschool.
- **Entry Procedures:** An adult must bring the child into the classroom. Please help your child find their coat hook and remove their outerwear. Social Services requires that the adult who delivers and collects the child must sign the child IN and OUT on the sheet posted.
- **Picking up Children:** Children will not be released to any person other than the legally responsible parent or guardian. Picture ID is required for anyone allowed to pick up your child. Those allowed to pick up your child must be written on the registration form. Under no circumstances will a child be sent home unescorted or with another child.
- **Fuzzy Pickles Preschool is a NUT-AWARE ENVIRONMENT.** Please read labels as we will not accept snacks that say "may contain or made in a facility that has processes peanuts".
- **Snack is not provided at the school.** It is the parent's responsibility to provide a healthy snack including a small drink that follows the Canada Food Guide for their child. We will not accept chips, popcorn or chocolate for a snack. We are a Nut-Aware preschool. Microwave, refrigerator and hot water are not available for use. Please ensure wieners,

pepperoni sticks and grapes are sliced lengthwise. These foods are a known choking hazard.

- **Each child is required to wear shoes.** This is for safety purposes and monthly fire drills. All children are to have a pair of indoor shoes. We ask that you bring along a pair of clean shoes and change the footwear upon arrival and departure.
- **Please label all clothing and belongings:** This refers to items such as backpack, shoes, boots, coats, etc. Each year children's belongings get mixed up because they have not been labelled. Also, please send a labelled tote bag with your child for each class so they can bring home crafts and notices.
- **All parents/guardians must complete and sign the Medication Policy and Medication Record attached to this booklet.** Fuzzy Pickles staff will only deliver medication to a child who has this package at the school and has been approved by the Board. If you have any concerns, please discuss them with the teacher.
- **Sick children must be left at home:** Parents and children must not enter the preschool school if they have COVID symptoms. Parent conducting drop off must conduct COVID screening assessment for each child every morning. If your child is not feeling well or has any symptoms listed on the questionnaire, we require that they stay at home and get better (see attached COVID Screening form). Sick children will not be accepted for class. In addition to public health concerns, space is extremely limited at the preschool and we do not have a comfortable waiting area for sick children to lie down or rest in while waiting to be picked up. If your child does become ill during class we will, of course, make every effort to assist your child and to make them as comfortable as possible while they await pickup. Parents will be phoned if this occurs. Children will not be allowed to come back to school until they are symptom free and have a negative COVID test result.
- If for any reason your child will not be attending a class, we would appreciate a text/call (cell: 587.500.3140) an email or telephone call (landline: 403.948.5277). There is voicemail to record messages left after hours. Messages left on the weekend will not be heard until Monday morning.
- **All Children are accepted on a trial basis:** In some rare cases we may feel that it is too distressing for the child to continue in our program and we will then discuss it further with the parents.
- It is the policy of Fuzzy Pickles that each child must be **fully toilet trained** and able to independently use toilet paper and go to the bathroom on their own. **Pull-ups are not allowed.**
- **No siblings allowed on Parent Volunteer Days or Field Trips:** Due to provincial licensing regulations and insurance coverage, **only children enrolled in Fuzzy Pickles preschool are allowed in the classroom.** Please make other arrangements for siblings. Your cooperation is greatly appreciated.
- Please encourage children to leave their toys at home.
- Payment options: please refer to the payment options listed in the "Payment Policy" section of this booklet. We regret that no exceptions will be made to these options.

TEACHERS

Our classes operate on a ratio of 1 staff per 10 children with the maximum of 20 children in one class. Our preschool provides a professional qualified teacher and assistants who understand child development and know the value of children learning through play. Our dedicated team provides many years of experience and education as well as each holds a valid first aid certificate and a security clearance.

RESPONSIBILITIES OF THE PARENTS/GUARDIANS

Fuzzy Pickles Preschool can only be successful if the parents are willing to be active participants. Unfortunately, due to COVID-19 we are not able to bring volunteers into the classroom at this time.

Volunteers are an important component of our program. There are volunteer opportunities available for parents both outside and inside the classroom. Some activities outside the classroom environment may include making play dough, craft preparation, snow removal and bringing in treats for special days. Other opportunities within the class include field trips and special party days.

We ask that volunteers interact with all children and support the teacher with everyday class activities and rules.

Our volunteers are not to be left alone with the children and will leave all discipline matters up to the teacher.

Our volunteers are there to support and enhance our program, making more opportunities for the children attending.

If you volunteer for something, we ask that you commit to what you sign up for. If you are unable to make it, please inform the teacher as soon as possible so that another volunteer may take that spot.

We would like to include moms, dads and grandparents in our programs. Volunteers can be a wide variety of people. Regretfully, we cannot have volunteers under the age of 16 years.

We ask our volunteers to do many different tasks. Your assistance as a volunteer is highly valued and is essential to help keep the program running smoothly.

CURRENT INFORMATION REQUIRED ON FILE

Please keep us informed of any changes in your status, address, telephone number, email address. A consent form must be signed prior to each event. You will be notified each month concerning plans for the upcoming field trips.

The preschool WILL NOT be in session on field trip days. Should there be any field trip you child is unable to attend you are responsible for making alternate arrangements for your child's care that day.

Please note: It is recommended that you have at least \$1,000,000.00 Liability Insurance on your vehicle should you wish to drive other children to the field trip. Fuzzy Pickles holds no responsibility if you choose to drive other children.
